Mike Wiegele Helicopter Skiing is pleased to offer exciting Snowcat and Snowcat & Heli Skiing/Boarding packages. Join our certified guides and up to 12 guests in the passenger cabin of our state-of-the-art Piston Bully 200 snowcat as you explore the powder terrain near Blue River.

Snowcat skiing/boarding offers a relaxed introduction to backcountry skiing and mountain safety skills, helping you build confidence in all types of terrain and snow conditions - including the powder! Guides work with you to develop your skiing and boarding technique, creating the perfect opportunity to increase your skills on snowcat terrain or transition to heli skiing/boarding. Less experienced skiers and riders are guided down gentle terrain at a relaxed pace, while more advanced skiers and riders can experience the challenge of descending 2,500-3,500 vertical feet on both powder and groomed terrain.

Experience snowcat skiing/boarding at Mike Wiegele Helicopter Skiing with our 3 Day Snowcat Package or try our snowcat/heli combination packages.

Prices are inclusive of all vertical - there are no extra costs for extra skiing. We don't charge more for skiing more.
