Wedding Itinerary

Your Summit Vows journey begins with arrival the day prior to your wedding, allowing time to unwind, connect, and fully embrace the experience.

Wedding Day

**Ceremony -
30 minutes**

A wonderful union shared with your intimate group. A shared moment, steeped in exclusivity and defined by the people who experience it together.

**Helicopter flight for
the Bride & Groom -
45 minutes**

We'll whisk the Bride and Groom away to the remote alpine of the Monashee Mountains to toast each other and new beginnings, all captured by a private photographer. They'll tour through the bright white snow-capped peaks on the way back to MWHS. Meanwhile, guests transition to the celebration area in preparation for the festivities.

Curated Celebration

Linger, toast, savour the moments as long as you wish. Our expert service team will have delivered delectable treats and the gathering is held in the chalet that is booked for your accommodation.

The Intimate

Bride & Groom + up to 2 guests

Created for your most cherished loved ones, The Intimate is a quietly elevated alpine exchange. The experience concludes with a bespoke celebration upon returning to MWHS.

FAQs

Q: Is this a full wedding day?

A: Summit Vows is an elevated, intentionally focused experience centred on the most meaningful moments: the ceremony, the flight, and the celebration. The planned elements take place within a curated two-hour window, and once food and beverage are delivered, guests are welcome to continue celebrating at their own pace.

Q: Why is the experience structured around two hours?

A: The protected window allows MWHS to guarantee optimal light, flight conditions, and uninterrupted attention from aviation and hospitality teams.

Q: Can we customize the timeline?

A: The experience is intentionally curated rather than fully customizable. This ensures consistency, calm, and a seamless guest experience.

Q: What happens if the weather changes?

A: Summit Vows is always scheduled with weather as the primary decision-maker. Our team proactively adjusts timing or experience elements to preserve safety and quality.

Q: Is Summit Vows suitable for larger guest counts?

A: Summit Vows is best suited for intimate to mid-sized groups. The Pinnacle is the most expansive expression; for larger or highly customized celebrations, we're happy to recommend alternative approaches.

Q: How is pricing determined?

A: Pricing reflects private helicopter access, protected timing, dedicated teams, and the rarity of the experience. Each couple receives a tailored quote following consultation.

FAQs

Q: Where will the ceremony take place, and what happens in case of rain?

A: We have designated the most beautiful indoor spaces on the property should there be a reason to move inside. Specific locations are not guaranteed and will be confirmed closer to the date of the event.

Q: Is it possible to marry elsewhere and take photos at MWHS?

A: No. Photography licensing and permissions apply exclusively to weddings hosted in-house.

Q: Are we allowed to provide our own alcohol

A: Guests are permitted to provide their own alcohol with full disclosure. A corkage fee of \$50 is charged to the Bride and Groom for every bottle that is opened.

Q: Are pets allowed at the event?

A: Absolutely! We would love to welcome you and your furry family member. There are a selection of pet friendly accommodations based on availability, with a \$30 per night pet fee.

Q: How many chalets does MWHS have?

A: There are 22 chalets and 3 larger estates available for accommodation. We have various commonly used buildings such as our Main Lodge, Thunder Ridge Centre and Guides Haus. Blue River Motel and Saddle Mountain Lodge are also available to reserve during our summer season.
