The Mike Wiegale Helicopter Skiing (MWHS) Heli-Ski Questionnaire you fill out before arrival, helps us to determine what kind of skiing group will be best for you. Groups may be adjusted throughout the week to ensure optimally balanced ability levels. Guides also form groups based on the total weight of each group, due to helicopter safety reasons. Wherever possible, we will ensure friends and family can ski together based on the above factors. MWHS reserves the right to form groups based on ability level and weight.
